ENVIRONMENT SAFETY & HEALTH POLICY

We at Safe towers Pvt Ltd are committed to proactively comply with Statutory, Regulatory, legal and other requirements related to environment, safety and occupational health as pertinent to various processes to prevent safe work environment throughout organization.

To meet this commitment we implement management systems in our operations that accord with the requirements of our environment, health and safety standards and strive to:

- ✓ Promote, enhance and sustain a strong ESH culture
- ✓ Comply with applicable ESH laws and regulations
- ✓ Regularly monitor and assess the status of those places where we do business and the safety risks associated with our operations
- ✓ Implement controls to ensure that safeguarding of personnel and property is carried out consistently with relevant human rights principles and in a manner that avoids or minimises risks to the local community
- ✓ Provide ESH training to our employees and actively promote awareness of environment, health and safety issues
- ✓ Ensure that contractors are aware of our policies and standards and where necessary, work with our contractors to raise their standards to meet our requirements

It is also the responsibility of each individual to be aware of the risks to personal health and safety and to take measures commensurate with the environment in which they are living, working and travelling.
